DAY 1: TALENT SHOW AND MISMATCH DAY, GROUP DAY

Every individual carries one unique feature within, which comes at the forefront on one day or the other, to bring out this within our young students, the President of Science College has organized three days programme of the Day's Celebration titled **"Fun Fiesta 2022"**. Day one was loaded with extraordinary enthusiasm of students showcasing various talents of them in "The Talent show" event clubbed with the theme of **"Group day"** and **"Mismatch day"** celebration, the reflections of Dance moves with wonderful notes of joy in

singing and poetry recitation made the event overjoyed. The Mismatch outfit made them look unique, and the similar attire for group day made them feel united. Following are glimpses of the same.

DAY 2: FOOD STALL AND SIGNATURE DAY

On day 2, the theme was signature day along with a food stall entitled “PSC Eatery” organised by students and faculties of President Science College to learn entrepreneurship and serve the best of taste to everyone. The foods prepared by them were ready-to-eat mouth-watering verities, there were four food stalls arranged, and the experience made them learn teamwork, and productivity.

Day 3: TRADITIONAL DAY

Culture represents language, dressings, rituals, and lifestyle with diversified traditions, celebration is one such medium to keep it alive. President Science College has organised a Traditional day celebration on the third day Fun Fiesta 2022 event. Students and Staff members were dressed up in colourful traditional attire and danced to the energetic tunes of Garba that made everyone energetic. Students and faculties did a ramp walk to present their unique dressings, and the ambience was covered with the joy of colours.
