

SHAYONA
PRESIDENT SCIENCE COLLEGE

“Celebrating academic brilliance – Gold Medalist of President Science College (B.Sc. Biotechnology) at Gujarat University.”

With an overwhelming sense of joy and pride, we announce that President Science College has yet again excelled in Scholarly achievements, as Divya Chandak of the BSc Semester 6 Biotechnology (2022-2025 batch) has become the highest scorer amongst all students of Biotechnology at Gujarat University. She won a Gold Medal for the same in the GU Convocation by attaining the highest marks of 1346/1600, which made her top the chart in the subject of Biotechnology.

This significant achievement adds a new chapter to the blossoming of our achievements, as President Science College has secured a Gold Medal in Biotechnology for two consecutive years, in addition to making its mark in national competitive exams like, IIT JAM and GAT-B, among others. We extend our heartfelt congratulations to Divya Chandak and wish to excel in the near future too, as we strive towards excellence through sheer hard work and dedication in the ultimate motto of President Science College.

Gujarat University Convocation January 2026
