## Report on Student participation in GIBion competition (2026)

This report is submitted to document the participation of students from B.Sc. Microbiology and Biotechnology, President Science College in the **Gujarat Integrated Bio Network (GIBion) Intercollegiate Competition**, conducted during the academic year 2026.

The 36th State-Level GIBion Competition was held on 1st February, 2026, at Indian Institute of Technology, Gandhinagar, organized by the Gujarat State Biotechnology Mission (GSBTM), providing a competitive platform for undergraduate students of biotechnology and microbiology. The event featured competitions including Bio-Quiz, Concept Mapping, Scientoon, Extempore Speech, Article Writing, Poster Presentation and Seminar Presentations.

Ms. Bhavisha Gajjar was appointed as the event coordinator. A total of **nine students** from B.Sc. Microbiology and Biotechnology participated in the above mentioned competitions. The students demonstrated keen interest, discipline, and enthusiasm throughout the event. Their participation contributed to the development of essential skills such as subject understanding, analytical thinking, communication skills, and confidence.

Notably, **Ms. Manisha Purohit** (Biotechnology Sem 6) secured **Second Prize in the Bio-startup competition**, and **Ms. Sonali Nama** (Microbiology Sem 1) secured **Second Prize in Poster Presentation**

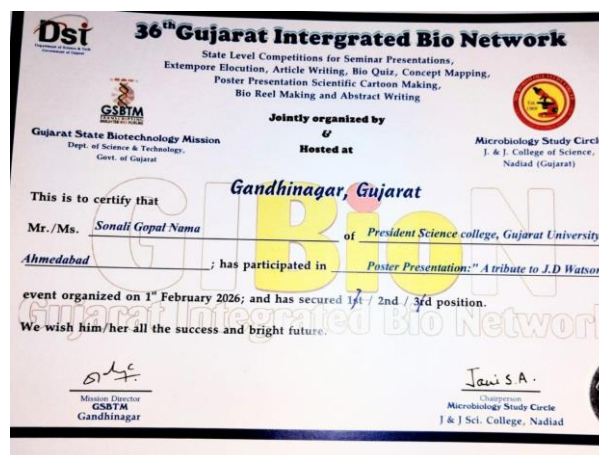

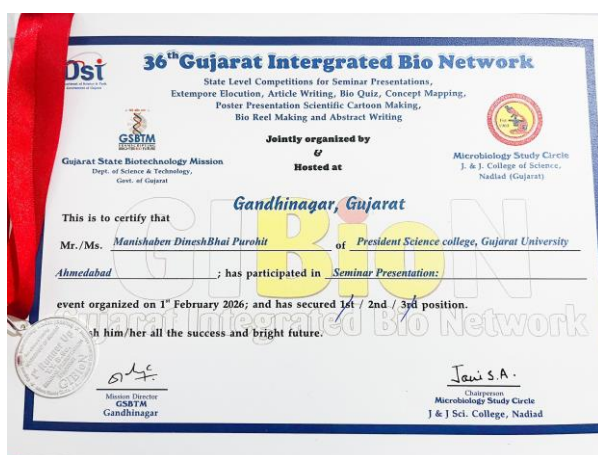

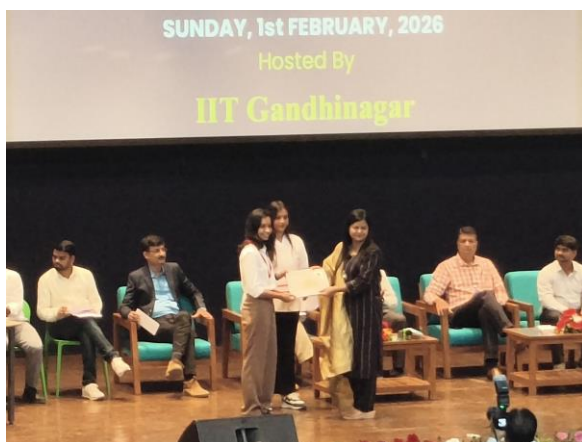

### Details of participating students

| No. | Student Name                | Major         | Semester | Competition           | Remarks          |
|-----|-----------------------------|---------------|----------|-----------------------|------------------|
| 1   | Shubh Bipinbhai Patel       | Microbiology  | 6        | Scientoon competition |                  |
| 2   | Krishna Ashwinbhai Panchal  | Microbiology  | 6        | Article Writing       |                  |
| 3   | Manisha Dineshbhai Purohit  | Biotechnology | 6        | Seminar Presentation  | Won Second Prize |
| 4   | Vishakha N. Kalal           | Microbiology  | 4        | Seminar Presentation  |                  |
| 5   | Kunal Dinesh Jangid         | Microbiology  | 4        | Concept Mapping       |                  |
| 6   | Hirni Shailesh Bhuva        | Microbiology  | 4        | Extempore Speech      |                  |
| 7   | Krishna Chintan Patel       | Microbiology  | 4        | Bio-Quiz              |                  |
| 8   | Manjulaben Laljibhai Bamana | Microbiology  | 4        |                       |                  |
| 9   | Sonali Gopal Nama           | Microbiology  | 2        | Poster Presentation   | Won Second Prize |

### Event Highlights

The overall experience of participation in the GIBION Competition was academically enriching and beneficial for the students. Such competitions play a significant role in the holistic development of students and are recommended to be encouraged in the future.
