## Progress Report 2024-25

Department of Microbiology, President Science College immensely grateful to dear students for their tremendous response & enthusiastic participation in "MicroTech Fiesta"-2025 an MBSI event. Student's efforts were extremely commendable. It was a difficult task to select the best of all. Heartiest congratulations to the winners & the participants in all the categories.

President Science College, Department of Microbiology, MBSI student's unit would like to extend our sincerest gratitude to Dr. Gaurav Shah sir, Gujarat state President MBSI for being the guest speaker and delivering his insightful & informative lecture on "Microbiology in everyday life: Practical applications & impact" to our students at Award Ceremony of "MicroTech Fiesta- 2025" an MBSI event held on 04/01/2025. It was indeed an exceptional and inspiring lecture. Dr. Gaurav Shah has blessed the students with his knowledge, expertise & experience.

## Workshop on 3-D Bioprinting

President Science College, Department of Biotechnology and Microbiology organized a workshop on \*3-D Bioprinting and its Applications in Biological Sciences\* on 3rd January 2025 chaired By notable speakers, \*Dr. Chetana Roat\*, Associate Professor and Head, Biotechnology Department, Silver Oak University and \*Dr. Daxa Sakhiya\*, Manager GSBTM.

The workshop envisioned to enlighten our students about understanding the concept of 3-D Bioprinting and its various applications catered towards various carrier opportunities in health and allied sectors. The focus of discussion was also towards various various programs and trainings offered by GSBTM for UG students. It was indeed an informative session for the students. A sincere thanks to all the faculty members for smooth organization of the workshop. A deep gratitude to our Principal sir for providing us with support and guidance for such inspiration sessions

**Microbiology Awareness activity** : President Science College MBSI unit, Department of Microbiology proudly congratulates for successful conduction of Microbiology Awareness activity of MBSI School drive in different schools of Ahmedabad in August & September 2024. Many congratulations and best wishes to all the students.

| Sr. No. | Name of Students           | Name of Schools   |
|---------|----------------------------|---|
