## PRESIDENT SCIENCE COLLEGE

### MOU between IDP Education India Pvt Ltd and President Science College

Today, on 22nd February 2022, President Science College has successfully partnered with IDP towards guidance and consultation regarding foreign education. It is our vision and mission at President Science College to provide holistic development to its students and as a part of this, we have already planned to organize IELTS classes at our college. Our students will be provided with both IELTS support and also guidance, consultation and other related support from the college. With this partnership our students will get full educational support under one roof.
