PRESIDENT SCIENCE COLLEGE

NSS Orientation Program

Nationalism stands first at nation-building, and youth becomes a prior medium to build nationalism within everyone. The idea of "*Service to nation is Service to God*" also "*Not me but you*" are prominent. To imbibe this feeling in young minds NSS committee of President Science College and the President Institute of Computer Application has organized an orientation session for students of Semester 1. The program was hosted by faculties, it was headed by a speech given by Principal Dr. Shivangi Mathur Ma'am. More than a ***hundred NSS Volunteers*** have attended the program and the experience of previous NSS activities was shared. The purpose of the orientation program was to introduce the First-year students to the NSS unit, its Programs, and activities, along with the purpose and work of NSS. Students were also taught NSS clap and the session ended by the national anthem. Following are glimpses of this program:
