**PRESIDENT SCIENCE COLLEGE**

### **SAMARAMBH 2021**

Diwali, the festival of lights is all about kindling the fire within us with love, compassion, loyalty and joy to kill all forms of darkness that is present in our mind. Indeed life post pandemic has never been the same but one can indeed try to find the light of happiness even in the darkest of hours. With this idea, the faculties of President Science College ventured out to rekindle the fire by hosting and celebrating Diwali with all the academic and staff members of Shayona Group. The Grand Diwali Function - SAMARAMBH 2021 began with the lighting of lamp by the trustees, Shri Sureshbhai Patel - Chairman of Shayona Group, Shrimati Urvashi Patel, Shri Babubhai Chaudhary, Shri Vishnubhai Patel and Shri Kanubhai. The family included the host - President Science College, sisters - President Institute of Computer Applications, President Nursing College, Shayona Institute of Business Management, Shayona Vidyavihar, New Shayona International School, Shayona Vidhyavihar School, Shayona Primary School (Meghaninagar), Shayona VidhyaMandir School (Meghaninagar), Shayona Vidhyavihar Higher Secondary School, Triveni Vidyalaya and Euro Kids-Gota. The event was also blessed by Dr. Digvijaysinh Gohil, Dr. Dhaval Patel - senate members of Gujarat University and also by Shri Ajay Umat of Nav Gujarat Samay. The celebrations then began with a series of games like fun quizzes, one-minute game, singing, housie and many others that indeed felt refreshing. The array of happiness and fun was then followed by a gala dinner which made sure that the happiness not only reached the mind and heart but also the stomach. It was a fantastic moment of bonding and indeed a joyful memory that is certainly going to linger longer in the minds of everyone who attended it. We, at Shayona Parivar wish you all a happy diwali and a prosperous new year.
