## *SKILL-UP WORKSHOP*

Skill-Up workshop, an educational event organized by Alias Group in collaboration with PRESIDENT SCIENCE COLLEGE was a Skill-Up workshop about innovating, creating, art, Subject Expert and most importantly it tells about team work and management. Principal in charge Dr. Shivangi Mathur was Convener and Ms. Bindiya Babariya was course coordinator of the training programme. Anuj Bendale, Disha Patel, Gagan Naval, Hemal Tanchak, Jeet Maniar, Nehul Patel, Pallavi Patel, Rishabh Naval, Ritik Rajput were team mentors from ALIAS GROUP.

## *PROCESS AND WORKING*

Skill-Up Workshop was a joint program by President Science College and Alias Group. It was a six-week workshop FREE OF COST for students studying in undergraduate programs where not only President Science College students but any undergraduate student from any college could take training. The registration process was started on 11<sup>th</sup> July 2021 and was ended on 22<sup>nd</sup> July 2021. The commencement date of the workshop was 26<sup>th</sup> July 2021 and was ended on 7<sup>th</sup> September 2021.

After registration, participants were gone through a screening test which was tied with tasks. Participants were selected on the basis of their behavior, attitude and knowledge. Total 102 students participated in this workshop from different colleges and states. Out of which 47 students were selected on the basis of the screening.

To Achieve certificate, it was mandatory for the all participants to complete the assigned task and maintain a good behavior throughout the workshop. This was to

indented to make them feel like they are working in a company as a team on some project.

After completion of the workshop, 31 participants were awarded certificate from PRESIDENT SCIENCE COLLEGE.

## *FEEDBACK*

All the participants who completed their task were asked to fill a feedback form. Some responses are given below:

The idea was very innovation it helped us grow proffetionally as well as personally. Even got a good experience of team working

-KHUSHBU SONI

Well this Workshop was really have new kind of concept, which is not so well known in India, I'm glad i joined this workshop as it taught me new skill.

- YASHISH HEDAOO

Had a great experimnet in this workshop and yes i have learned new things also.

-DIMPLE RATHOD

This workshop is helpful to me to increase my writing skills. I learned a lot of from this. This is my first workshop and I really enjoyed it. I loved to work like this.

- KRISHNA GAMETI

It was very amazing experience for me. I learn many things like how to work together in team. Team work is very important for this workshop. And my team and coordinator was very supportive. This workshop also taught me that how to think differently and make it in easy way to remember to people.

-KRUPALI SANKHALA

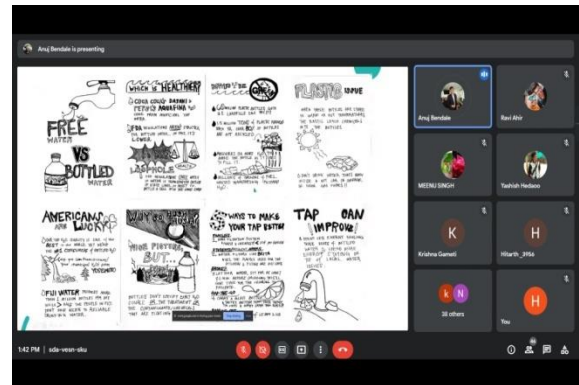

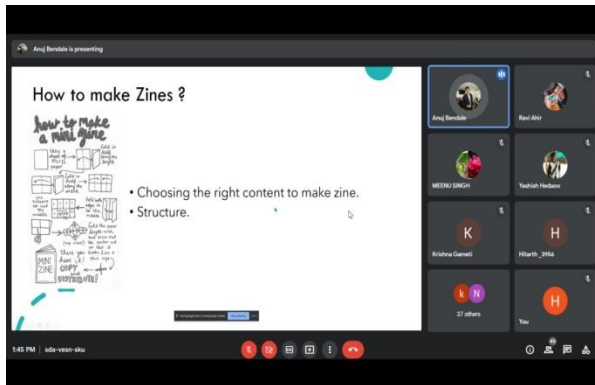

I learn many things during the workshop. Like how to work with team members. How I am helpful during this work. And I learn team spirit and share ideas with others.

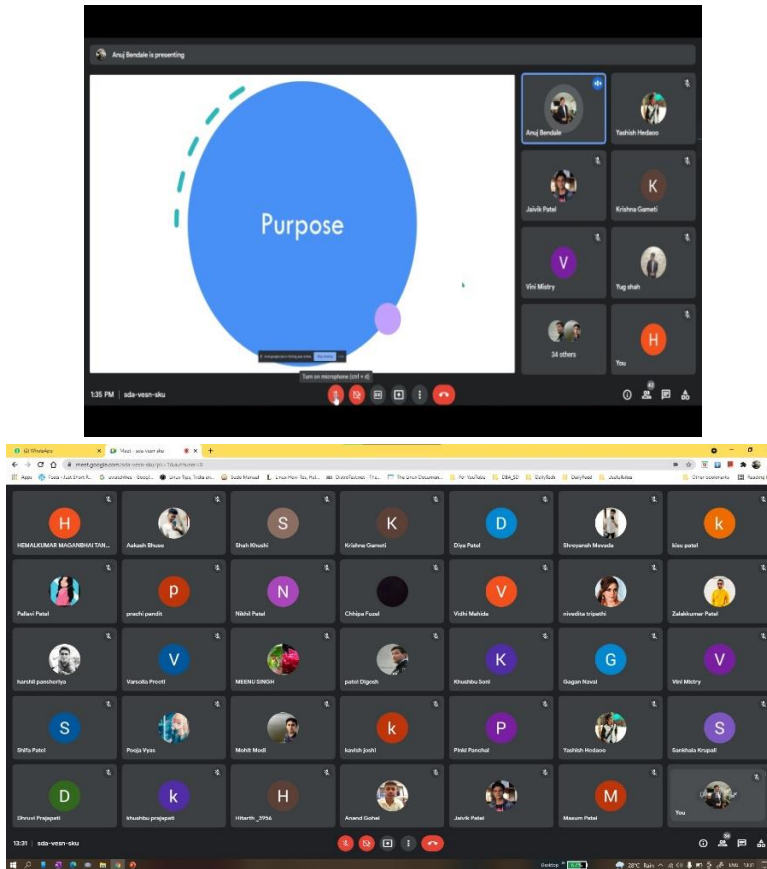

-MOHIT MODI

This have been an absolutely amazing and enlightening workshop I'm really feeling delighted to have been able to be a part of this and learnt a lot of things.this is something that I love to do.. I love to paint, drwa, design..etc.... I had to do what I like to do and this workshop is opportunity for me to better myself in one of my hobby so I completely love this workshop..

-POOJA VYAS

## TRAINING SESSIONS

## CONCLUSION

*The outcome of this workshop from participants is positive and it has been successfully completed with ALIAS GROUP and PRESIDENT SCIENCE COLLEGE with a positive note.*
