

SHAYONA

PRESIDENT SCIENCE COLLEGE

On Saturday 4th Sep 2021, Teacher's day was celebrated at President Science College where students presented their skills by participating in various competitions involving shloka, song, speech and dance. A drama, presenting student education via new online mode, was presented by teachers which was very well appreciated. Further, students who secured top 50 ranks were felicitated by giving them certificates.

Happy Teacher's Day to all educators!
